START SMART IS CELEBRATING THE 10TH ANNIVERSARY OF THE COMPANY'S SMALL BUSINESS CERTIFICATION WEBSITE, WWW.CERTASSIST.NET, WITH THE ADDITION OF E-Z DOCS[®]

New Orleans, LA, March 31, 2016– In celebration of the 10th anniversary of Start Smart's small business certification website, CertAssist.net, the company has added **E-Z Docs[®]** to the CertAssist website.

Start Smart developed CertAssist in 2006 in response to the growing need to help Louisiana's small, disadvantaged, minority, women and veteran-owned businesses become certified and qualified to participate on post-Katrina rebuilding contracts. Since its inception, over 300,000 individuals have visited CertAssist, making it the #1 free source for information on Louisiana business certifications on the Internet.

"CertAssist was developed as part of my company's commitment to helping Louisiana's small and disadvantaged businesses gain greater access to public and private sector contracts."

*Norman David Roussell, MBA
Founder/CEO Start Smart, LLC*
